

More Than 70 Companies Have Already Announced the Participation at Interlakokraska 2022

The organisers of Interlakokraska 2022 have opened the registrations for the next international trade fairs dedicated to paints, coatings, raw materials and production technologies that will take place in Moscow from 1-4 March 2022. Over 150 companies from 15 countries are expected to participate.

The organisers of the 2022 edition of Interlakokraska have announced that the registrations for the international trade fairs dedicated to paints, coatings, raw materials and production technologies are now open. The exhibition is planned to take place at the EXPOCENTRE Fairgrounds (Krasnopresnenskaya nab., 14) in Moscow from the 1st to the 4th of March 2022.

Traditionally, during the first week of March the EXPOCENTRE Fairgrounds becomes a meeting place for manufacturers and suppliers of machinery, equipment and advanced technologies for the paint and coatings industry and consumers of finished products and services. 85 companies from Russia, Germany, China, Belgium, Luxembourg, France, Switzerland, the Republic of Belarus, Turkey and Ukraine participated in the exhibition in 2021. Moreover, several foreign companies were represented by their Russian partners.

The feedback from past participants and visitors proves quality of the event, especially during these challenging times for the industry. Visitors and exhibitors gained the most out of their participation: productive negotiations, concluded contracts and new business partners.

The next edition is expected to allow even more business opportunities and the circulation of knowledge. Over 70 companies have already booked a stand.

The 2022 edition of Interlakokraska trade fair is expected to include:

- More than 150 companies from 15 countries;
- Over 10,000 m² of fair ground;
- Around 6,000 professional visitors.

Interlakokraska offers several participation formats. The trade fair can be reached with the underground, at Vystavochnaya and Delovoy Tsentr metro stations.

The opening hours are set to be from 10:00 am to 6:00 pm.

Interlakokraska is held with support of the Russian Ministry of Industry and Trade, the Chimvest Scientific and Technical Centre, the Russian Chemists Union, NIITEKHIM OAO, the Mendeleev Russian Chemical Society, the CentrLack Association, the Paint Quality Association, and under auspices of the Russian Chamber of Commerce and Industry.
